

Philip Hope Volunteer of the Year

RECOGNITION OF VOLUNTEER EFFORTS FOR THE GAME OF NETBALL

Philip Hope was an Auckland Netball Board Member from 2000-2006. Philip was keen to have an annual award that would recognise an individual member for their volunteer efforts over the year from December through to December. It is acknowledged that many individual's efforts are the result of several years' commitment and involvement so while a nomination is made in a particular year it does however recognise the total contribution.
