The above information is collected and held by Auckland Netball Centre and may be used for the following purposes: Administration of Auckland Netball Centre, communication of information and promotional material on behalf of our authorised partners. Individuals have the right to access and correct information held by Auckland Netball Centre at any time.

*Due to the zonal changes, players can now play Club netball at more than 1 centre as long as those centres fall within the Northern Zone region. Players must be affiliated either by playing for School or Club to nominate to trial for an Auckland Netball representative age group team. If you intend to trial for a representative team and Auckland is NOT your primary centre, please indicate what centre you will be trialing for. Those that trial for Auckland and are not selected can apply for a release to trial at another centre.
